

Directions for Entering Results on AES

1. Log in to AES and go to your Clubs section (CLUB DIRECTOR-CLUBS). This should show your list of teams.
2. Click on the red Results link in the line of the team for which you want to enter results.
3. Click the “Add New” button (bottom left).
4. Type in the opponent, their 11-digit team code (this is important as some clubs have more than one team in a particular age group), the name of the event and date, then the outcome (w/l).
5. Click the red “Save” button.
6. Do this for each match you need to add!
